

## Peter Harlech Jones BVSC, MRCVS

Peter Harlech Jones is an international consultant on veterinary medicines. He was appointed head of the Veterinary division of the European Commission's Medicines Evaluation Agency and has served on the Veterinary Policy Group and as Chair of the Medicines Group of the British Veterinary Association (BVA).

Peter served as the President of the BVA in 2012/2013 and is very aware of the mental health issues that affect the veterinary profession. He is a keen supporter of Mental Health Research UK.
