

A stranger takes on an unknown extreme challenge!!

Do you want to join me in making a difference? I'm raising money in aid of Mental Health Research UK and every donation will help. Thank you in advance for your contribution to this cause that means so much to the people you will be helping.

A stranger has placed their trust in me to take on an unknown challenge and believe me it will be a challenge, I have planned one extreme day for this event, there is also a reward planned for the person who said **YES** to help others and entering into the unknown, how cool is that? Would you trust a stranger this much to help someone you don't know?

Say yes, help me make this day epic and lets raise money for the sole purpose of starting Cynic-Helper "Helping others, help themselves"

You can follow the progress of this event and organisation on Insta @CynicHelper
